THE ASSISTANT SECRETARY TO GOVERNMENT FOOD AND AGRICULTURE DEPARTMENT
25 SEP 1951

Sir,

Ref. S.S.E.3. 1271/51 dated the 19th September, 1951.

66690.

Subject:: Allowances - Conveyance allowance - Engineering Section Clerk of the Office of the District Agricultural Officer Bellary - sanction - requesting of --

The District Agricultural Officer, Bellary reports that the MB shed, ~~x~~ where tractors, oil engines, spare parts, oil etc of the Engineering Section of his office are stored is situated at a distance of just over two miles from his office. The clerk in charge of this shed and stores has to attend to work both in the office and also in the MB shed. He has to attend to the clerical works in the office and to attend issues of oils, greases, spare parts etc in the MB shed.

2. Further, whenever parties bring carts for taking oils or when balance of oils and empty drums are brought back for return to the shed he has to go to the shed. This happens atleast for four or five times a day. Further, he has to attend to the booking and clearance of pareels at the railway station. Thus he is put to additional work and worry by going up and down on foot between the MB shed, office and Railway station. Much time is thus wasted and the possession of a cycle will help the quicker disposal of work.

3. In the circumstances explained above, I request Government may be pleased to sanction a conveyance allowance of Rupees four per mensem subject to the condition that the clerk maintains a bicycle.

SD. B.M. Lakshmipathy.
Joint Director of Agriculture.
